

President-Neva Powercity Ltd.
Russian Federation

July 20th, 2009

To whom it may concern,

I am pleased to confirm that President-Neva Powercity Ltd is been selected as dealer of Fortis Wind Energy in the Russian Federation. This means that President-Neva Powercity Ltd can offer our products.

This distribution agreement allows President-Neva Powercity Ltd to sell all products of Fortis Wind Energy until at least January 2011, after which the agreement can be extended.

We are pleased to be working with President-Neva Powercity Ltd and will work with them to make it a very successful relationship.

Sincerely yours,

Balthasar Klimbie
